CADENZA

Kudlu Gate Junction, Hosur Main Road, Bangalore

**“I’ve been searching
for a place of my own
Now i’ve found it
Maybe this is home
This is home.”**

Switchfoot

An artist's perspective of Cadenza.

“Home. Where my music’s playing.”

Simon & Garfunkle

Home. It’s such a loaded word. It means so much more than four walls and a place to lay your head. So much more than a place for a family to grow. It is a part of your identity. Obviously, then, the home you choose, has to ‘play the right tune.’ Experience Cadenza homes. Homes as finely constructed as a piece of uplifting music. Cadenza is a freehold residential project on Kudlu Gate Junction, Hosur Main Road. Spanning over 23,471.44 sqm, Cadenza has 513 apartments with 8 towers (14 to 22 floors); excellent ventilation for all units.

The layout comprises 513 units with 1, 2 and 3 bedroom apartments distributed over 8 towers.

DISTRIBUTION OF UNITS:-

1 BHK	714 Sq Ft	2 BHK	1183 Sq Ft
3 BHK + 2T	1564 Sq Ft	3 BHK + 3T	1850 Sq Ft

Master Plan

“It’s the right place. And the right time.”

Frank Sinatra

Everything’s right about Cadenza. Built by the trusted and respected Salarpuria Sattva, the homes are just walking distance from schools and hospitals with stores and supermarkets dotting the way. St. John’s hospital is just 15 minutes away should you need to get to one in a hurry.

If you have young adult children, it couldn’t be more perfect with Oxford college just 10 minutes away, PES college another 10 minutes away and Lawrence school just 10 minutes away too.

HERE ARE MORE REFERENCES JUST TO GIVE YOU AN IDEA.
